

# Aston Village ETNS Virtual

## World Café

Friday 26th June @11am

You've all worked so hard this last term and while we can't have a visit from the ice-cream van this year, we can share a visit to our virtual café where everyone is welcome, everyone is shown love and respect, where we learn together to live together, where we celebrate difference from the comfort of our own home! Join us on the last day of virtual school for our own virtual World Café by Zoom!

### *Menu*

- Who will you bring to the Café? Teddy bears and pets are welcome this year! Show us a picture of you with your teddy, dog, cat, goldfish, hamster or tarantula! (Yuck!)
- What will you eat? Design your own menu with Starter, Main Course and Dessert! Hmm...apfelstrudel from Germany, Lauke Torte from Latvia yummy!
- What are your favourite dishes from your home country or a country you visited?
- Make a poster to shout out "HELLO!" in your own language to friends or "Thank you Teacher!", "I love you Mum!", "You're the best Dad!" or "Up the Dubs!"
- What will you wear to the World Café? Maybe you could send us a picture of you in your special clothes, national costume, county colours or favourite team jersey!
- How will you decorate the World Café to show everyone all the different countries, places and cultures we come from?
- Colour in a flag!
- Paint a picture to hang on the wall of the virtual café!
- Take a photo of a special souvenir from your country (or county) and write a few words to tell us about it.
- Send us your photos with Mum or Dad's permission to [worldcafe@astonvillageetns.com](mailto:worldcafe@astonvillageetns.com) by the end of Wednesday 24th...
- We'll create a slide show with your photos - join us on Friday morning by Zoom when we'll watch the slide show together and wave at all our friends before we finish up school for the summer holidays!

**THANKS KIDS, THANKS MUMS & DADS...YOU'RE THE BEST!**
