

The Love Assembly

Heart Art Created by Infant Classes

What is the love assembly about?

The love assembly was hosted by junior and senior infants. This was about valentines, love, peace and giving the people you love gifts and cards. It was hosted in the P.E. hall on Thursday 23rd of February.

Why was it hosted?

This was hosted because we were celebrating the month of love and because it was an important month for people who love each other and want to show their love for others and things. Lots of students mentioned their love for favourite pets, TV shows they love, favourite seasons and other things they love to do.

Conclusion

We think it was a very good time to celebrate it because it was February, the month of love.

We hope you come back next week for more reports from the Media Team.
