Step 4:

If your child is new to ReadingEggs/ReadingEggspress they will begin with a 'Placement Test'

This placement test is very important. Your child must do this 'test' themselves as it is assessing their reading ability. If your child gets 3 questions wrong the test will stop and bring them to their 'Lesson/Reading Map' which will have a variety of activities that your child should be able to work through independently.

Once this is completed, your child can begin to explore the programme!
