29th of January, 2024

The Board of Management congratulated pupils and staff on two excellent Winter Shows.

The Board of Management thanked teachers Paul and Paula for their work in facilitating the Relationship and Sexuality Education lessons for the children of 5th and 6th class.

The BOM acknowledged the first meeting of the Wellbeing Committee. Wellbeing will be the focus of the School Self Evaluation process.

The BOM thanked the teachers for their attendance after school hours of a behaviour workshop facilitated by the National Council of Special Education.

Well done to the 2 teams who represented the school at the Credit Union quiz. A special thanks for teacher James for his role in organising the teams for the event.

The Board of Management congratulated The Parent Teacher Association on their successful application to Louth County Council's Period Poverty Initiative for free period products for the school. This will be a huge benefit to the girls in the senior classes. Thanks for teacher Sandra Wogan for picking up the boxes in Dundalk.

Concerns have been raised about parking on Dunlin Street. Pauline has sought advice from the Gardaí and Louth County Council. Gardaí will increase their presence in the morning and afternoon. An engineer from Louth County Council will come to survey the situation. Pauline asked for the pedestrian crossing to be completed and markings on the footpath. Parents will be reminded to respect residents when they are dropping off and picking up their children.

The Board discussed the tendering process for the Hot Food scheme. It was agreed to set up a separate bank account as this is a requirement of the funding.

Signed: Pauline Loreille

Secretary to the Board of Management
